**About Frenkel Topping Group:**

The financial services firm consists of Frenkel Topping Limited, Ascencia Investment Management, Obiter Wealth Management, Equatas Accountants, Forth Associates, A & M Bacon Limited and Partners in Costs Limited.

The group of companies specialises in providing financial advice and asset protection services to clients at times of financial vulnerability, with particular expertise in the field of personal injury and clinical negligence.

With more than 30 years' experience in the industry, Frenkel Topping has earned a reputation for commercial astuteness underpinned by a strong moral obligation to its clients, employees and wider society, with a continued focus on its Environmental, Social and Governance (ESG) impact.

Through its core business, Frenkel Topping Limited, the firm supports litigators pre-settlement in achieving maximum damages, by providing expert witness services, and post-settlement to achieve the best long-term financial outcomes for clients after injury. It boasts a client retention rate of 99%.

The Group's discretionary fund manager, Ascencia, provides financial portfolios for clients in unique circumstances. In recent years Ascencia has diversified its portfolios to include a Sharia-law-compliant portfolio and a number of ESG portfolios in response to increased interest in socially responsible investing (SRI).

Obiter provides a generalist wealth management service - including advice on Savings and Investments; Tax planning; Life Insurance; Critical Illness and Income protection; Endowment advice and Keyman Insurance, with a particular specialism in financial advice on pensions and pension sharing orders for the clients of divorce and family lawyers. Obiter applies the same core principles of honesty, transparency, responsibility and reliability to individuals, regardless of background or situation.

In 2019, Frenkel Topping launched its accountancy arm, Equatas, to assist clients with tax planning and move closer to providing a full end-to-end service under the Group brand, improving the experience for clients and maintaining the Group's standards throughout the client journey.

In 2020 Frenkel Topping acquired Forth Associates, a specialist forensic accounting services business which assists in financial and legal disputes. The acquisition makes Frenkel Topping the largest independent provider of financial expert witness reports to the claimant marketplace.

In 2021 Frenkel Topping acquired A & M Bacon Limited a leading costs specialist in local government and Court of Protection, and Partners in Costs Limited who specialise in civil litigation claims, including personal injury (ranging from catastrophic injury to clinical negligence), professional negligence, commercial claims and court of protection costs.
