APPENDIX I - EXTRACTS FROM THE CIRCULAR

Background to and reasons for the Placing

In July 2020 the Company set out its refocused M&A strategy to consolidate the professional service firms market in the Personal Injury and Clinical Negligence space and raised £13 million from new and existing Shareholders in order to prosecute a roll-up of professional services firms in this specific niche sector. This allowed the Company to increase its touch points with claimants, through the timespan of a claim, which the Directors believe greatly enhances the Company's chances of winning the AUM mandate of any successful claim, whilst generating meaningful revenues in the process.

Since then, the Company has deployed the net proceeds of the July 2020 fundraising acquiring five businesses spanning forensic accountants, cost consultants and the transformational acquisition of Cardinal Management Limited which has close partnerships with NHS Major Trauma Centres. The combination of these strategic acquisitions has significantly expanded the Group's reach and created further touchpoints in the PI and CN space which has generated strong momentum and engagement with other legal and professional services providers in the sector, greatly increasing the Group's service to its clients. The Group has also delivered £4.6m of EBITDA, an increase of 84% to the previous financial year.

The Group remains focused on its stated M&A strategy of consolidating ownership of the full supply chain in the PI and CN space and accordingly will primarily utilise the net proceeds of the Placing to continue consolidating the marketplace. The Board has already entered discussions with various acquisition opportunities and in particular is looking to expand the Group's footprint in care & case management and are in varying stages of discussions with three targets. Having successfully deployed the £13m raised in July 2020 it now requires the additional funding to complete the buy and build strategy and to make some careful investment in technology in order to accelerate the integration of the businesses and capitalize on the synergistic benefits.

The Professional Services Market

During the litigation process of any PI or CN claim, there can be in excess of 30 different expert witness reports that may be required. These include, but are not limited to, medical, financial and care and case management. In the course of preparing these expert witness reports, professional service firms develop a working relationship and rapport with claimants. The Directors believe that these relationships are key to securing the financial advisory mandate for any settlement monies paid out in the event of a successful claim.

Care & Case Management

The Directors believe that Care & Case Management reports are the largest reports required by litigating solicitors pre-settlement. These independent expert reports are used to quantify the additional costs associated with meeting a client's needs as a result of injury or illness. In addition, post-settlement, clients require expert rehabilitation plans tailored to their specific needs including the appointment of a case manager. Case managers work on an ongoing basis with claimants and their families, reviewing care plans and care providers to ensure claimants are receiving the best possible care. This ongoing relationship presents the opportunity for repeat revenues post-settlement and a greater number of touchpoints in the journey of a potential claimant.

Care and Case management represents c. £85m annually and are involved in c. 2,000 cases per year.

Professional Services landscape

The professional services market as a whole is highly fragmented with a considerable number of different verticals and no clear market leader in any of them. The Directors believe that the majority of these Expert Witness professional services firms are struggling to grow due to the longer working capital cycles of expert witness report work (i.e. firms are paid once a verdict has been reached in the claim) and that these firms could benefit from the balance sheet strength and the financial acumen of Frenkel Topping.

Whilst Care & Case Management firms do not suffer the same working capital restraints the Directors believe it to be one of the most attractive subsectors due to their revenue profiles and also represents a significant opportunity to consolidate due to its heavily fragmented nature.

The PI and CN Market

Unfortunately, around 25,700 people are seriously injured in RTAs per annum with a further 1,560 people being fatally injured. The Directors believe around 75% of these 25,700 RTAs involve a claim. This generates approximately 19,000 claimants that will require expert witness reports. The total market for pre-settlement disbursements such as Expert Witness reports is estimated at £0.4bn and an estimated £1bn is paid out in damages for catastrophic injuries in the PI market.

In addition, NHS Resolution (which manages negligence and other claims against the National Health Service) paid out £1.6 billion for the year ending 30 June 2020 as damages.

When combined, the PI and CN markets represents a total opportunity of c. £2.6billion of AUM mandates per annum, in addition to the professional services required for such claims.

Use of Proceeds

The net proceeds of the Placing will be used primarily to continue the Company's M&A strategy, consolidating the heavily fragmented professional services market in the PI and CN space. The Placing proceeds will be used in part to invest in the businesses of any acquisitions made by the Company, satisfy the deferred consideration elements of recent acquisitions and also invest in integration efforts of all acquired businesses by upgrading and enhancing the IT infrastructure and architecture of the firm.

The Board will consider acquisitions that are earnings enhancing in the first full year of ownership and have clear synergies in the PI and CN markets particularly in Care and Case management and is already in discussions with a number of targets - three of which are in the due diligence phase. The Board believes that raising funds in this way, in advance of specific acquisitions, will grant the Group the flexibility and speed to act decisively.

One such potential target is "Project Summer", one of the largest expert witness providers in the UK with estimated annual run rate revenues of £4 million and EBITDA of £0.8m. Talks are at an advanced stage with the Company expecting to pay c.1.25x-1.5x annual run rate revenue as total consideration.

Further updates on Project Summer will be made as and when appropriate but completion is expected to be within Q3 of this year.

In addition, the Company will utilise some of the net proceeds to invest in the Group's IT infrastructure. The Directors believe this investment will allow the Group to integrate and mature any acquired technologies in order to support further collaboration and cross selling across the Group. In turn, this will improve the efficiency of the Group's fee earners and client service teams allowing them to foster greater client care and build an excellent platform for future growth.

Current Trading and Future Prospects

As stated at the time of announcement of the Group's results on 25 April 2022, for the year ended 31 December 2021, Frenkel Topping has had a strong start to the current financial year with a solid pipeline of new business opportunities and benefitting from the momentum built in 2021. This tailwind has been maintained since then and the Group continues to show resilience through challenging times in the wider economy and alongside its 99% retention rates has a solid pipeline of new business opportunities.

The Group is trading in line with expectations and therefore remains confident about the future and the full year outturn.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK Product Governance Requirements**") and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of (a) retail

investors, (b) investors who meet the criteria of professional clients and (c) eligible counterparties, each as defined in UK Product Governance Requirements; and (ii) eligible for distribution through all distribution channels as are permitted by UK Product Governance Requirements (the "**UK Target Market Assessment**").

Notwithstanding the UK Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

The UK Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment, the Bookrunner is only procuring investors in the United Kingdom which meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the UK Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapter 9A or 10A respectively of the FCA Handbook Conduct of Business Sourcebook; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to, the Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

EU Product Governance Requirements

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**EU Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the EU Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**").

Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the EU Target Market Assessment, the Bookrunner is only procuring investors in the European Union who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

EACH PLACEE SHOULD CONSULT WITH ITS OWN ADVISERS AS TO LEGAL, REGULATORY, TAX, BUSINESS AND RELATED ASPECTS OF A SUBSCRIPTION FOR THE PLACING SHARES.

In particular, each such Placee represents, warrants, undertakes, agrees and acknowledges (amongst other things) to the Bookrunner and the Company that:

 - (a) it is a Qualified Investor within the meaning of Article 2(e) of the EU Prospectus Regulation or the UK Prospectus Regulation (as applicable); and
 - (b) in the case of any Placing Shares acquired by it as a financial intermediary, as that term is used in Article 5(1) of the EU Prospectus Regulation or the UK Prospectus Regulation (as applicable):
 - (i) the Placing Shares acquired by it in the Placing have not been acquired on behalf of, nor have they been acquired with a view to their offer or resale to, persons in a Relevant State other than in circumstances in which the prior consent of the Bookrunner has been given to the offer or resale; or
 - (ii) where Placing Shares have been acquired by it on behalf of persons in a Relevant State other than Qualified Investors, the offer of those Placing Shares to it is not treated under the EU Prospectus Regulation or the UK Prospectus Regulation (as applicable) as having been made to such persons; and
3. it is acquiring the Placing Shares for its own account or is acquiring the Placing Shares for an account with respect to which it exercises sole investment discretion and has the authority to make and does make the representations, warranties, indemnities, acknowledgements, undertakings and agreements contained in this Announcement; and
4. it understands (or if acting for the account of another person, such person has confirmed that such person understands) the resale and transfer restrictions set out in this Appendix; and
5. except as otherwise permitted by the Company and subject to any available exemptions from applicable securities laws, it (and any account referred to in paragraph 4 above) is outside of the United States and is acquiring the Placing Shares in offshore transactions as defined in and in accordance with Regulation S under the Securities Act; and
6. the Company and the Bookrunner will rely upon the truth and accuracy of the foregoing representations, warranties, acknowledgements and agreements.

The Placing Shares are being offered to a limited number of specifically invited persons only and will not be offered in such a way as to require any prospectus or other offering document to be published. Each Placee, by participating in the Placing, agrees that the content of this Announcement is exclusively the responsibility of the Company and confirms that it has neither received nor relied on any information (other than the Publicly Available Information), representation, warranty or statement made by or on behalf of the Bookrunner or the Company or any other person and none of the Bookrunner, the Company nor any other person acting on such person's behalf nor any of their respective Representatives has or shall have any liability for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement. As part of the Placing, the Company has agreed that, for a period of three months following Admission, it will not without the prior consent of the Bookrunner (such consent not to be unreasonably withheld or delayed) issue any shares or options to subscribe for any shares (other than options granted pursuant to any employee share schemes adopted by the Company) or securities convertible or exchangeable into shares or enter into any agreement or undertaking to do so.

The Bookbuilding Process

The Bookrunner will commence the Bookbuilding Process to determine demand for participation in the Placing by Placees immediately following the publication of this Announcement. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares.

The Bookrunner and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuilding Process as they may, in their sole discretion, determine.

Principal terms of the Bookbuilding Process and Placing

1. The Bookrunner is acting as agent for and on behalf of the Company for the purposes of the Placing.
2. Participation in the Placing will only be available to persons who may lawfully be, and are, invited by the Bookrunner to participate. The Bookrunner and any of its affiliates are entitled to enter bids in the Bookbuilding Process.
3. The price per Placing Share (the "**Placing Price**") is fixed at 70 pence and is payable to the Bookrunner (as agent for the Company) by all Placees whose bids are successful. The number of Placing Shares will be agreed between the Bookrunner and the Company following completion of the Bookbuilding Process. The number of Placing Shares will be announced by the Company (the "**Placing Results Announcement**") following the completion of the Bookbuilding Process and the entry into the Placing Agreement by the Company and the Bookrunner.
4. To bid in the Bookbuilding Process, Placees should communicate their bid by telephone or email to their usual sales contact at the Bookrunner. Each bid should state the number of Ordinary Shares which a Placee wishes to acquire at the Placing Price. Bids may be scaled down by the Bookrunner on the basis referred to in paragraph 9 below. The Bookrunner is arranging the Placing as agent of the Company.
5. The Bookbuilding Process is expected to close no later than 5.00 p.m. on 5 July 2022 but may be closed earlier or later subject to the agreement of the Bookrunner and the Company. The Bookrunner may, in agreement with the Company, accept bids that are received after the Bookbuilding Process has closed. The Company reserves the right (upon agreement of the Bookrunner) to reduce or seek to increase the amount to be raised pursuant to the Placing, in its discretion.
6. Each Placee's allocation will be determined by the Bookrunner in its discretion following consultation with the Company and will be confirmed to Placees either orally or by email by the Bookrunner. The Bookrunner may choose to accept bids, either in whole or in part, on the basis of allocations determined at its absolute discretion, in consultation with the Company, and may scale down any bids for this purpose on the basis referred to in paragraph 9 below.
7. The Company will release the Placing Results Announcement following the close of the Bookbuilding Process detailing the aggregate number of the Placing Shares to be issued.
8. Each Placee's allocation and commitment will be evidenced by a contract note or electronic trade confirmation issued to such Placee by the Bookrunner. The terms of this Appendix will be deemed incorporated in that contract note or electronic trade confirmation.
9. Subject to paragraphs 4, 5 and 6 above, the Bookrunner may choose to accept bids, either in whole or in part, on the basis of allocations determined at its discretion and may scale down any bids for this purpose on such basis as it may determine or be directed. The Bookrunner may also, notwithstanding paragraphs 4, 5 and 6 above, subject to the prior consent of the Company:

- (a) allocate Placing Shares after the time of any initial allocation to any person submitting a bid after that time; and
 - (b) allocate Placing Shares after the Bookbuilding Process has closed to any person submitting a bid after that time.
- 10. Each Placee's allocation and commitment to acquire Placing Shares will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and except with the Bookrunner's consent will not be capable of variation or revocation after the time at which it is submitted. Each Placee will have an immediate, separate, irrevocable and binding obligation, owed to the Bookrunner (as agent for the Company), to pay to it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has agreed to acquire and the Company has agreed to allot and issue to that Placee.
- 11. Except as required by law or regulation, no press release or other announcement will be made by the Bookrunner or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.
- 12. Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing is/are confirmed, settlement for all Placing Shares to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "*Registration and Settlement*".
- 13. All obligations under the Bookbuilding Process and Placing will be subject to fulfilment of the conditions referred to below under "*Conditions of the Placing*" and to the Placing not being terminated on the basis referred to below under "*Termination of the Placing*".
- 14. By participating in the Bookbuilding Process, each Placee will agree that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
- 15. To the fullest extent permissible by law and applicable FCA rules, neither:
 - (a) the Bookrunner;
 - (b) any of its affiliates, agents, directors, officers, consultants, partners or employees; nor
 - (c) to the extent not contained within (a) or (b), any person connected with the Bookrunner as defined in the FSMA ((b) and (c) being together "**affiliates**" and individually an "**affiliate**" of the Bookrunner);

shall have any liability (including to the extent permissible by law, any fiduciary duties) to Placees or to any other person whether acting on behalf of a Placee or otherwise. In particular, neither the Bookrunner nor any of its affiliates shall have any liability (including, to the extent permissible by law, any fiduciary duties) in respect of the Bookrunner's conduct of the Bookbuilding Process or of such alternative method of effecting the Placing as the Bookrunner and the Company may agree.

Registration and Settlement

If Placees are allocated any Placing Shares in the Placing they will be sent a contract note or electronic trade confirmation which will confirm the number of Placing Shares allocated to them, the Placing Price and the aggregate amount owed by them to the Bookrunner.

Each Placee will be deemed to agree that it will do all things necessary to ensure that delivery and payment is completed as directed by the Bookrunner in accordance with either the standing CREST or certificated settlement instructions which they have in place with the Bookrunner.

Settlement of transactions in the Placing Shares (ISIN: GB00B01YXQ71) following each Admission will take place within the CREST system, subject to certain exceptions. Settlement through CREST will be on a T+3 basis unless otherwise notified by the Bookrunner and is expected to occur on 11 July 2022 in respect of the First Placing Shares and on 1 August 2022 in respect of the Second Placing Shares in accordance with the contract notes or electronic trade confirmations. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and the Bookrunner may agree that the Placing Shares should be issued in certificated form. The Bookrunner reserves the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as it deems necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in the jurisdiction in which a Placee is located.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above, in respect of either CREST or certificated deliveries, at the rate of 2 percentage points above the prevailing LIBOR as determined by the Bookrunner.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Bookrunner may sell any or all of the Placing Shares allocated to that Placee on their behalf and retain from the proceeds, for the Bookrunner's own account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the Placing Price and for any stamp duty or stamp duty reserve tax (together with any interest or penalties) imposed in any jurisdiction which may arise upon the sale of such Placing Shares on its behalf. By communicating a bid for Placing Shares, such Placee confers on the Bookrunner all such authorities and powers necessary to carry out such sale and agrees to ratify and confirm all actions which the Bookrunner lawfully takes in pursuance of such sale.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees must ensure that, upon receipt, the conditional contract note or the electronic trade confirmation is copied and delivered immediately to the relevant person within that organisation. Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to United Kingdom stamp duty or stamp duty reserve tax. If there are any circumstances in which any United Kingdom stamp duty or stamp duty reserve tax or other similar taxes or duties (including any interest and penalties relating thereto) is payable in respect of the allocation, allotment, issue, sale, transfer or delivery of the Placing Shares (or, for the avoidance of doubt, if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer or agreement to transfer Placing Shares), the Company shall not be responsible for payment thereof. Placees will not be entitled to receive any fee or commission in connection with the Placing.

Conditions of the Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The obligations of the Bookrunner under the Placing Agreement in respect of the placing of the First Placing Shares are conditional upon, *inter alia*:

- (a) the warranties and undertakings given and made by the Company in the Placing Agreement (the "**Warranties**") being true and accurate and not misleading (and remaining true and accurate and not misleading if they were repeated at First Admission) by reference to the facts then subsisting in each case in a way that is material; and
- (b) First Admission having occurred not later than 8.00 a.m. on 11 July 2022 or such later date as the Company and finnCap may agree, but in any event not later than 8.00 a.m. on 12 August 2022.

The obligations of the Bookrunner under the Placing Agreement in respect of the placing of the Second Placing Shares are conditional upon, *inter alia*:

- (a) First Admission having occurred;
- (b) the Warranties being true and accurate and not misleading (and remaining true and accurate and not misleading if they were repeated at Second Admission) by reference to the facts then subsisting in each case in a way that is material;
- (c) the shareholder resolutions set out in the Notice of General Meeting, to be proposed at the general meeting of the shareholders of the Company to be held at 11.00 a.m. on 29 July 2022 (the "**General Meeting**"), to grant the Directors the authority to allot and issue the Second Placing Shares on a non-pre-emptive basis (the "**Resolutions**") having been duly passed; and
- (d) Second Admission having occurred not later than 8.00 a.m. on 1 August 2022 or such later date as the Company and finnCap may agree, but in any event not later than 8.00 a.m. on 12 August 2022.

All of conditions to the obligations of the Bookrunner included in the Placing Agreement being together, the "**conditions**").

If any of the conditions are not fulfilled or, where permitted, waived by the Bookrunner in accordance with the Placing Agreement within the stated time periods (or such later time and/or date as the Company and the Bookrunner may agree), or the Placing Agreement is terminated in accordance with its terms, then to the extent that First Admission or Second Admission has not occurred (as applicable), the Placing will lapse and the Placee's rights and obligations shall cease and terminate at such time and each Placee agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof. For the avoidance of doubt, Admission of the First Placing Shares is not conditional on Admission of the Second Placing Shares taking place in accordance with the terms of the Placing Agreement.

By participating in the Bookbuilding Process, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described above and under "*Termination of the Placing*" below and will not be capable of rescission or termination by it.

The Bookrunner may, in its absolute discretion and upon such terms as it thinks fit, waive fulfilment of all or any of the conditions in whole or in part, or extend the time provided for fulfilment of one or more conditions, save that certain conditions including the conditions relating to First Admission, Second Admission or the passing of the Resolutions referred to above may not be waived. Any such extension or waiver will not affect Placees' commitments as set out in this Appendix.

The Bookrunner may terminate the Placing Agreement in certain circumstances, details of which are set out below.

Neither the Bookrunner nor any of its affiliates nor the Company shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision any of them may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision any of them may make as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of the Bookrunner.

Termination of the Placing

The Bookrunner may, in its absolute discretion, by notice to the Company, terminate the Placing Agreement at any time up to the relevant Admission if, *inter alia*:

- (a) there has, in opinion of the Bookrunner (acting reasonably), been a breach of the Warranties given to it which is material in the context of the Placing;
- (b) there has, in the opinion of the Bookrunner (acting reasonably), been a material adverse change affecting the Company or its subsidiaries;
- (c) any statement contained in this Announcement, the Placing Results Announcement or any other document or announcement issued or published by or on behalf of the Company in connection with the Placing is or has become or has been discovered to be untrue or inaccurate or misleading in any respect which the Bookrunner considers (acting reasonably) to be material in the context of the Placing; or
- (d) in the opinion of the Bookrunner, there has been a force majeure event.

If the Placing Agreement is terminated in accordance with its terms, then to the extent that First Admission or Second Admission has not occurred (as applicable), the rights and obligations of each Placee in respect of the Placing as described in this Announcement shall cease and terminate at such time and no claim can be made by any Placee in respect thereof.

By participating in the Bookbuilding Process, each Placee agrees with the Company and the Bookrunner that the exercise by the Company or the Bookrunner of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or the Bookrunner or for agreement between the Company and the Bookrunner (as the case may be) and that neither the Company nor the Bookrunner need make any reference to such Placee and that none of the Company, the Bookrunner nor any of their respective Representatives shall have any liability to such Placee (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise. Each Placee further agrees that they will have no rights against the Bookrunner, the Company or any of their respective directors or employees under the Placing Agreement pursuant to the Contracts (Rights of Third Parties) Act 1999 (as amended).

By participating in the Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and under the "*Conditions of the Placing*" section above and will not be capable of rescission or termination by it after the issue by the Bookrunner of a contract note or electronic trade confirmation confirming each Placee's allocation and commitment in the Placing.

Representations, warranties and further terms

By submitting a bid in the Bookbuilding Process, each Placee (and any person acting on such Placee's behalf) irrevocably confirms, represents, warrants, acknowledges and agrees (for itself and for any such prospective Placee) with the Company and the Bookrunner (in its capacity as bookrunner and placing agent of the Company in respect of the Placing) that (save where the Bookrunner expressly agrees in writing to the contrary):

5. neither the Bookrunner nor any person acting on behalf of it nor any of its Representatives has or shall have any liability for any Publicly Available Information, or any representation relating to the Company, provided that nothing in this paragraph 5 excludes the liability of any person for fraudulent misrepresentation made by that person;
6.
